2. License Grant

Subject to your continuous compliance with this Agreement and payment of applicable fees (if any), Licensor grants you a limited, non-exclusive, non-transferable, revocable license to:

- install and run the Software on [one (1)] [device per seat license]/[up to ___ devices under an enterprise license] within your organization; and

- use the Software solely for your internal business purposes to perform data comparison, transformation, reporting and related tasks.

Unless expressly permitted in writing, the license is not a sale and does not transfer title or ownership.

3. License Types (select what applies)

Evaluation License. Time-limited to 365 days; "as-is"; may disable automatically when the period ends.

4. Restrictions

You shall not, and shall not allow any third party to:

- resell, rent, lease, lend, sublicense, distribute, host, or provide the Software to third parties;

- reverse engineer, decompile, disassemble, or attempt to derive source code or underlying ideas, except to the extent such restriction is prohibited by law;

- remove or alter any proprietary notices or labels;

- use the Software for competitive analysis, to build a competing product, or in violation of applicable law;

- bypass technical restrictions, license controls, or security mechanisms;

- use the Software to process personal data in violation of applicable data-protection laws.

5. Ownership and Feedback

Licensor and its licensors retain all right, title, and interest in and to the Software, documentation, and all copies. Any feedback or suggestions you provide may be used by Licensor without restriction or compensation.

6. Data and Privacy

The Software may process files and configuration rules. Unless explicitly enabled by you, the Software does not transmit Customer Data to Licensor. You are responsible for obtaining all necessary rights and consents in Customer Data and for complying with applicable data-protection laws.

7. Third-Party Components

The Software may include third-party libraries or open-source components subject to their own licenses (the "Third-Party Licenses"). To the extent of a conflict, the Third-Party Licenses govern your use of those components. A current list is provided in Annex A.

8. Updates; Changes

Licensor may provide updates, patches, or new versions ("Updates"). Updates may require an active maintenance/subscription term and may automatically replace prior versions. Features and availability may change without notice.

9. Support

Support, if purchased or otherwise included, is provided as described in your Order/Quote or support policy. Licensor has no obligation to provide support under an Evaluation License unless stated otherwise.

10. Security; AV Alerts

You are responsible for securing your environment (e.g., access controls, anti-malware, backups). Some anti-virus products may flag new or unsigned tools as potentially unwanted; such detections do not necessarily indicate malware. Always obtain the Software from Licensor's official distribution channel and verify digital signatures where applicable.

11. DISCLAIMERS

THE SOFTWARE IS PROVIDED "AS IS" AND "AS AVAILABLE." TO THE MAXIMUM EXTENT PERMITTED BY LAW, LICENSOR AND ITS SUPPLIERS DISCLAIM ALL WARRANTIES, EXPRESS, IMPLIED, OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT. LICENSOR DOES NOT WARRANT THAT THE SOFTWARE WILL BE ERROR-FREE OR UNINTERRUPTED OR THAT DEFECTS WILL BE CORRECTED.

12. Limitation of Liability

TO THE MAXIMUM EXTENT PERMITTED BY LAW, LICENSOR AND ITS SUPPLIERS SHALL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL, EXEMPLARY, OR PUNITIVE DAMAGES; LOSS OF PROFITS, REVENUE, GOODWILL, DATA, OR BUSINESS INTERRUPTION; OR SUBSTITUTE GOODS/SERVICES, EVEN IF ADVISED OF THE POSSIBILITY.

13. Indemnity by You

You will indemnify, defend, and hold harmless Licensor and its affiliates from and against any claims, damages, liabilities, costs, and expenses arising out of or related to your (a) misuse of the Software, (b) violation of this Agreement, or (c) processing of Customer Data in violation of law.

14. Term and Termination

This Agreement begins upon your acceptance and continues until terminated. Licensor may suspend or terminate this Agreement if you materially breach it. Upon termination, the license ends and you must stop using and uninstall the Software and destroy all copies.

15. Export Compliance

You represent that you are not located in, under the control of, or a national or resident of any restricted country or on any restricted list. You will comply with all applicable export and sanctions laws.

16. Government End Users

The Software is "commercial computer software" and related documentation as defined under applicable regulations. Government end users acquire the Software with only those rights set forth in this Agreement.

17. Assignment

You may not assign or transfer this Agreement without Licensor's prior written consent. Any attempted assignment in violation of this section is void. Licensor may assign this Agreement to an affiliate or in connection with a merger, acquisition, or sale of assets.

18. Governing Law; Venue

This Agreement is governed by the laws of Republic of the Philippines, excluding its conflicts of law rules.

19. Entire Agreement; Order of Precedence

This Agreement, together with any valid Order/Quote and the Third-Party Licenses, constitutes the entire agreement regarding the Software and supersedes prior or contemporaneous communications. In case of conflict between an Order/Quote and this Agreement, the Order/Quote prevails for the purchased items. If any provision is unenforceable, it will be modified to the minimum extent necessary to be enforceable.
